	Strikes all current exemptions except for health services. Defines services as all activities that are engaged in for other persons for a consideration and that involve predominantly the performance of a service as distinguished from selling or leasing tangible personal property. The term does not include services rendered by an employee to his or her employer. In determining what is a service, the intended use, principal objective, or ultimate objective of the contracting parties shall not be controlling.				Hansen FA959 filed Hansen FA958 filed
LR12CA	(Kauth) Constitutional amendment to impose a limit on ad valorem taxes for real property, provide a new method of valuing real property for tax purposes, provide certain exceptions, and eliminate conflicting constitutional provisions  Constitutional maximum amount of any ad valorem tax on real property shall not exceed 1.5% of the full cash value of such property. Such tax shall be collected by the counties and apportioned as prescribed by the Legislature to the political subdivisions within the counties. Creates numerous exceptions and new methodology for valuation. (Should be a statute)		Revenue	02/28/2025	Committee 01/16/2025  Title printed. Carryover resolution Andersen AM1101 filed

LR292CA	(Andersen) Constitutional amendment to provide a new method of valuing real property for property tax purposes, provide a limit on property tax increases, provide certain exceptions, provide requirements for declared emergencies, provide for emergency bond levies, and eliminate conflicting constitutional provisions  Creates two systems of property valuation: Fair Market Value and Taxable Market Value. Fair Market Value is updated by the county assessor. Taxable Market Value establishes the baseline for tax liability based on 2026 assessed value or purchase price for home purchases made after 2026. The Taxable Market Value does not change when purchased, when newly constructed (does not include repair due to natural disaster), when combining parcels, or when a change of ownership has occurred after the 2026 assessment. The tax liability will only increase year-to-year based on the CPI. For agricultural land, the taxable market value shall be adjusted to 75% of the property's fair market value, except that for property taxes levied by a school district to pay the principal and interest on bonds that are approved by a vote of the people on or after January 1, 2022, the taxable market value shall be adjusted to 50% of the property's fair market value.
