Results

Count how many A's, B's, C's, D's, and E's you chose. The letter with the most selections suggests a career path that fits your personality!

- Mostly A's – Forensic Accounting

You like uncovering the truth and solving complex problems. A career in forensic accounting, auditing, or investigation could be a great fit.

- Mostly B's – Personal Financial Planning

You enjoy helping others reach financial goals. You might thrive as a financial planner or tax advisor.

- Mostly C's – Technology & Advisory Services

You love innovation and using data to improve performance. Technology consulting or data analytics could suit you well.

- Mostly D's – Corporate or Management Accounting

You like structure, strategy, and numbers. Consider roles in corporate finance, budgeting, or financial reporting.

- Mostly E's – Government or Nonprofit Accounting

You're motivated by making a difference. Government, education, or nonprofit accounting may be ideal for you.
