<sup>1</sup>Promotional offer is provided by and subject to approval by Elavon. Offer applies to merchants with an annual processing volume between \$100,000 and \$2 million, and is subject to credit approval. Some restrictions and limitations may apply. Merchant processing cost comparison is based upon the calculation of the rate and associated per item cost as determined by the three (3) most recent processing statements with a date less than four (4) months old. Limit one (1) offer per merchant, regardless of the number of business locations. If Elavon cannot meet or beat the customer's current pricing as supported by the 3 most recent processing statements, then Elavon will award a \$1,000 Visa® gift card within 60 days from receipt of the three (3) merchant statements, which expires on the "Good Thru" date, printed on the front of the card. Gift card will be delivered via United Parcel Service (UPS) to merchant. Gift card may be subject to tax reporting. Any applicable taxes associated with these offers are the responsibility of the gift card recipient. To the extent required by law, Elavon will report total value of the offers to the IRS on Form 1099. Other fees may apply.
