

Calling CPAs to Serve as Key Contacts

The most effective way for legislators to understand issues facing the accounting profession is to receive input from the CPAs they represent. By creating and maintaining a relationship with elected officials, you can be the voice of the CPA profession at the grassroots level with U.S. Senators, Representatives, and State Legislators.

The **Federal Key Contact Program** assists the Nebraska Society of CPAs with maintaining personal contact with members of the Nebraska congressional delegation, while the **State Key Contact Program** assists the Society with communication in the Nebraska Legislature.

We accomplish our goals through the development and maintenance of a cadre of knowledgeable members across the state who have the ability to engage with and influence our congressmen and state legislators, in minimal time, when action is needed on legislative issues affecting the profession.

Being a Key Contact is an easy way to give back to the profession and help shape the profession for years to come. To serve as a Nebraska Society of CPAs Key Contact at the state and/or federal level, please complete the form below and return it to society@nescpa.org.

We Need You as a Key Contact!

Name: _____
Firm/Company: _____
Address: _____
City, State, Zip _____
Phone: _____ Email: _____

I know the following elected officials and would like to assist the Society as a contact person:
